JUDGMENT

Present application is filed by applicant trustees of trust namely "Vidya Vaibhav Shikshan Mandal" for framing scheme under section 50 A (1) of the Bombay Public Trusts Act, 1950 .

2. It is the contention of the applicants that they are the present trustees of the trust namely "Vidya Vaibhav Shikshan Mandal" bearing P.T.R. No E 8603 (Mumbai) . The objects of the trust are of educational. It is further contention of applicants that in the year 1982 the above trust registered and at that time there was no proper scheme of the trust, but the short constitution was prepare. Now after long period the said constitution is not suitable for functioning of the above trust. As such considering present situation it is just and necessary to frame a scheme which is Annexed along with the application. In this way the applicant

prayed that new scheme be framed for the smooth functioning of the trust.

3. Following points arises for my consideration.

I have recorded my findings with reason given as under.

1. Whether it is just and necessary to frame a scheme as prayed ?

Ans : In affirmative.

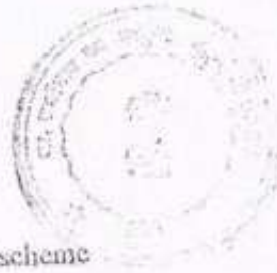

2. What order ?

Ans : As per final order.

As to Point No. 1 & 2 and 3

4. In support of application, applicants filed proposed scheme at Ex. 2, list of trustees at Ex. 3, list of immovable property at Ex. 4, previous constitution is at Ex. 5, copy of Schedule - I at Ex. 6, copy of certificate of the trust is at Ex. 7, copy of accounts statement for the year 2001 is at Ex. 8, Account statement for the year 2002 is at Ex. 9, Account statement for the year 2003 is at Ex. 10 and affidavit of one of the applicant trustee Shri Sadashiv M. Bhoir at Ex. 11. These are the documentary evidence on record. It appears that the trust is registered in the year 1992 and that time there was the constitution which is at Ex. 5. It appear that necessary

requirements are not appeared ^{as per my in it} unit for smooth functioning of the trust, and necessary requirement ^{in proposed scheme} are there in, and considering the present situation the ^{proper} scheme will be prepared ^{for} for smooth
