**Visit of Budding Future Doctors on 01/12/2025 (Wednesday)**

Dear Sir / Madam,

We thank you for sending 50 BHMS Students and 3 Staff for acquiring practical knowledge on **December 11, 2025**, at our factory.

We confirm that they were conducted by our experienced staff around all aspects of our factory and were explained in detail various aspects of manufacturing of Homoeopathic medicines by following GMP compliances.

We also confirm that our experienced botanist guided them through our Botanical Garden, showcasing the seasonal medicinal plants we have cultivated and addressing their plant-related inquiries.

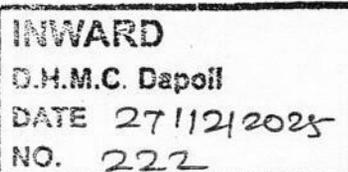

A detailed question/answer session with slide show was also conducted by our scientific experts on various aspects of Homoeopathy.

Thanking you once again and we will be looking forward for similar visit next year also.
